

GLÜCK, plain finish in Nut Marl

OMI collection

GLÜCK

A versatile diffused atmospheric light. In its smallest size, GLÜCK is a pendant perfect for intimate environments. In its largest size GLÜCK is a statement pendant. Single or clustered, GLÜCK is equally at home in a kitchen or cascading down a stairwell.

We use fine wire ring frames to tension our hand crocheted pendant and shade fabric into shape. The metal frames are crocheted into the body of the fabric, making the metalwork just visible between the stitches on the outer rim of the pendant.

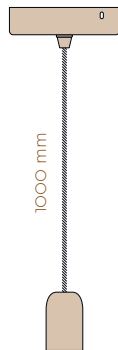

Each wire frame is bent by hand into a ring, soldered and polished before being electroplated in our standard finish BRASS.

Custom finishes are also available on request.
